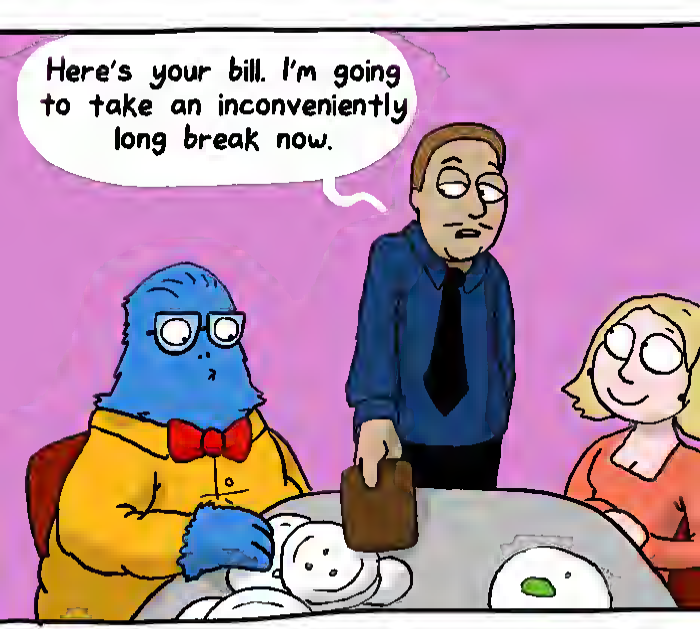
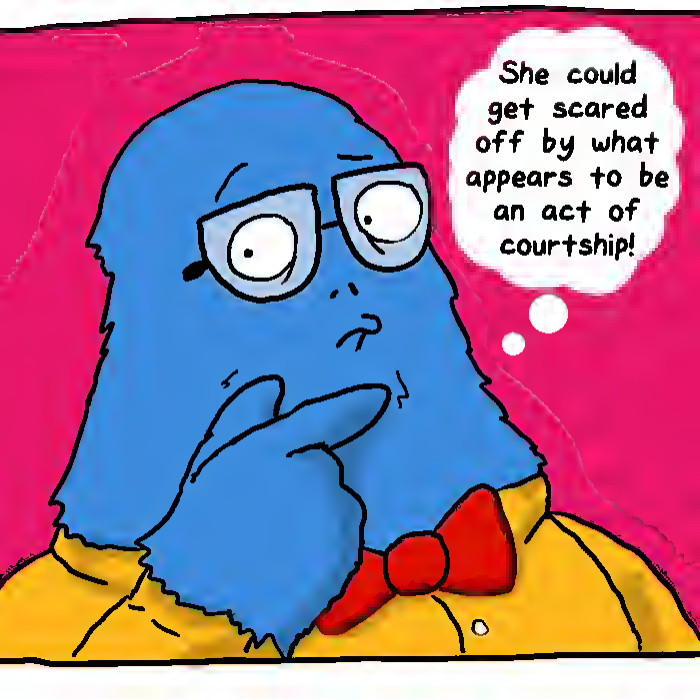
Lars



Here's your bill. I'm going to take an inconveniently long break now.

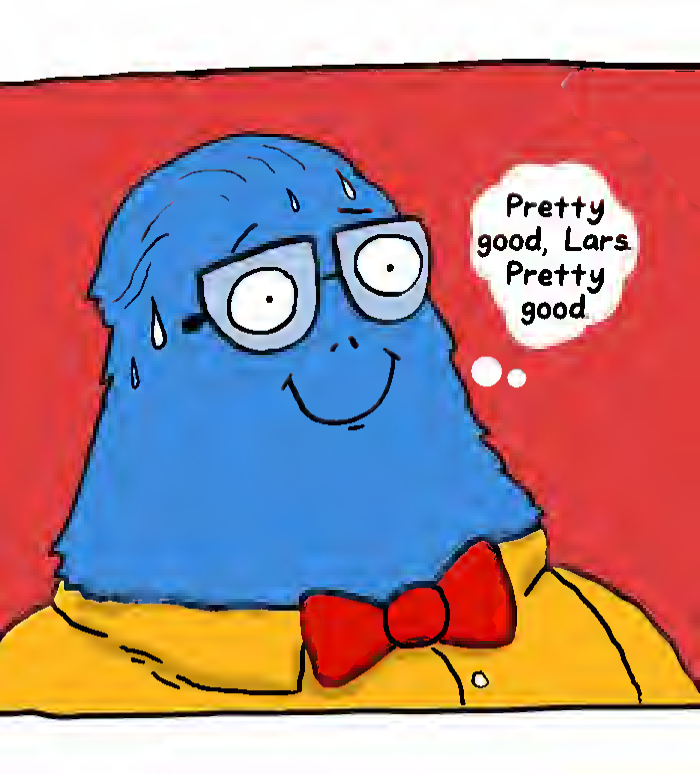
I guess I should offer to pay the bill.
But what if she doesn't think this is a date?



She could get scared off by what appears to be an act of courtship!

Stay strong, Lars. Don't reveal your feelings too early.

You can pay. Also I love you and would like to have your babies.



Pretty good, Lars. Pretty good.
